## **Bring Back Pittwater Council**

We, as residents of the Northern Beaches Council Local Government Area, are initiating this proposal to alter the boundaries of the Northern Beaches Council LGA and to reinstate the former Pittwater LGA and Council under Section 215 and 218E (2) of the Local Government Act 1993.

We are making this proposal to the NSW Local Government Minister because:

- the forced amalgamation of Pittwater, Warringah and Manly Councils was undemocratic;
- Pittwater Council provided essential local representation and environmental protections for its residents; and
- an overwhelming majority of Pittwater residents preferred to retain their local council than see it swallowed up in a merger with Warringah and Manly.

We, as enrolled electors in the Northern Beaches Council Local Government Area, propose that:

- ✓ the boundaries of the Northern Beaches Council be altered so that the area that was the former Pittwater Council prior to 12 May 2016 be excised; and
- ✓ the former Pittwater Council be re-constituted within the boundaries it held before its amalgamation on 12 May 2016.

### Dear resident of the former Pittwater Council area,

You may have heard that the NSW government rejected our last de-amalgamation proposal on the grounds that we had not collected enough signatures.

If you support the call to demerge the former Pittwater Council area from Northern Beaches Council and the reinstatement of our Pittwater Council, please fill out the form over the page with your correct details and signature. Return forms to Protect Pittwater, either by hand or mail to PO Box 402, Avalon Beach, NSW, 2107.

Any number of people can sign the form, but they must be enrolled to vote as a resident of the Northern Beaches Local Government Area.

Do not worry if you have previously signed a petition. Please sign again if you support the demerger.
