

2016 Northern Beaches Instrumental Festival

The aim of the Festival is to provide a formal, non-competitive performance opportunity for ensembles that is a positive and encouraging experience.

The Festival for Concert bands and string ensembles is held in June, towards the end of Term 2 at Pittwater High School and the Stage band festival is held in August. The entire festival is hosted by the Northern Beaches Symphonic Wind Ensemble, which is a non for profit co-operative and all proceeds from the festival go back into community music. Performances are held in small blocks of ensembles so that the students will have the opportunity to listen to other groups. Students remain in the hall with their ensemble for all the performances in their time allocation. (This will be approximately 1-1.5 hours in total). This gives every ensemble performing a large and interested audience.

Schools entering more than one ensemble will have each one programmed in a separate block. The intention is for students and their families to have the opportunity to listen to groups from other schools. Within each block we will also vary the nominated levels of the ensembles to avoid direct comparisons. While professional feedback is provided this is not a competition but a festival celebrating our music making on the Northern Beaches and beyond.

Each ensemble will perform 3 pieces at an appropriate grade. Their performance will be recorded for their future use and a short workshop by an experienced appraiser will be held on stage at the conclusion of their performance. The appraiser also makes comment on the recording.

Availability of tickets.

Non performing audience members can purchase tickets at the door for \$5.00 per adult, \$3.00 concession or \$10.00 per family. These tickets are valid for the entire festival and entitle the holder to entry to the Gala Concert. Tickets are not available for pre-purchase.

List of participants (as at 3 June 2016)

Strings

Northern Beaches Orchestra (Dr Martin Hardy and Steve Buchanan)

18 Jun 2016 Session 7 Gala Concert 7:00pm
